Sport Premium Improvement Plan – St Margaret’s Church of England Junior School

The aim of this funding is to make additional and sustainable improvements to the quality of PE that is offered.

The focus of this premium is to:

- Develop or add to the PE and sport activities that a school already offers.
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years.

There are 5 key indicators that schools should work towards:

1. The engagement of all pupils in regular physical activity.
2. The profile of PE and sport is raised across the school as a tool for whole-school improvement.
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport.
4. Broader experience of a range of sports and activities offered to all pupils.
5. Increased participation in competitive sport.
